Promotional Supplies

# Unravelling new horizons for the Indian corporate gifting industry

Over the last decade, the Indian corporate gifting industry has drastically evolved with brand marketers and corporates at large moving towards sourcing exclusively curated gifts for their customers and employees alike. Emerging from this trend, this sector has seen a boom in creative gift ideas in India with manufacturers creating exclusively designed products that symbolise personal connection and create lasting impressions on the recipients.

Facilitating trade within the industry, Corporate Gifts Show provides a winning strategy for gifting companies to showcase their exclusive offerings, as well as ample opportunities to network and build relationships with the likes of corporate buyers, resellers, and novelty retailers from all over India.

Corporate Gifts Show gives brand managers a platform to identify new items for our upcoming promotional campaign plans and brand building strategies. The organisers have done an excellent job with many beautiful booths and innovative activities.
